## Information for High School Students

-  Courses are open to students registered in NS schools
-  To register for a course contact your guidance counsellor
-  Courses are semestered and follow the NS curriculum
-  Your login information will be sent to your student email address (be sure you know your account info)
-  You are expected to login at least once a day to complete assignments
-  You will meet weekly through online e-chats (video conferencing) with your teacher and classmates
-  You can check your marks online at anytime in Gradebook (moodle)
-  At your school you will have a contact teacher who will provide supervision, and ensure you have space to work, and course materials
-  NSVS helps foster independence in learning and increases technical skills

# Learn Online

## with Nova Scotia Virtual School

You'll have access to a wide variety of different courses

Your online teacher is available throughout the day by e-mail, IM, e-chat and during virtual office hours

Your NSVS course is part of your regularly scheduled classes

Grades are reported in Powerschool at midterm and end of semester. Students can check progress in their moodle gradebook at any time

You'll meet students with similar interests across the province
