Information for High School Students

- Courses are open to all registered NS high school students
- To register for a course contact your guidance counsellor
- Courses are semestered and follow the NS curriculum
- Your login information will be sent to your student email address (be sure you know your account info)
- You are expected to login at least once a day to complete assignments

- You will meet weekly through online e-chats (video conferencing) with your teacher and classmates
- You can check your marks online at any time
- At your school you will have a contact teacher who will provide supervision, and ensure you have a space to work, and course materials
- NSVS helps foster independence in learning and increase technical skills

Is Online Learning for you?
