## Information for High School Students

-  Courses are open to students registered in NS Public schools
-  To register for a course, contact your school counsellor
-  Courses are semestered and follow the NS curriculum
-  Your login information will be sent to your student email address (be sure you know your account info)
-  You are expected to login at least once per school day to complete assignments
-  You will meet with your teacher and classmates weekly through online e-chats (video conferencing)
-  You can check your grades and feedback online at anytime in Gradebook (Moodle)
-  You will have a contact teacher at your school who will provide supervision and ensure you have the space, resources, and assessment materials for your course.
-  NSVS helps foster independence in learning and increases technical skills

# NOVA SCOTIA Virtual School

École virtuelle de la Nouvelle-Écosse

## NOVA SCOTIA VIRTUAL SCHOOL

### Courses

Your NSVS course is part of your regularly scheduled classes and you will spend approximately 60-90 minutes online daily in your NSVS course during the block you have scheduled.

### eChats

You will attend weekly echats (video conferencing) with your teacher and fellow classmates. Your online teacher is available throughout the school day by e-mail, IM, e-chat and during virtual office hours.

### Grades

Grades are reported in Powerschool at midterm and end of semester. You can check your progress in your Moodle gradebook at any time.
