Information for High School Students

-  Courses are open to students registered in NS Public schools
-  To register for a course, contact your school counsellor
-  Courses are semestered and follow the NS curriculum
-  Your login information will be sent to your student email address (be sure you know your account info)
-  You are expected to login at least once per school day to complete assignments
-  You will meet with your teacher and classmates weekly through online e-chats (video conferencing)
-  You can check your grades and feedback online at anytime in Gradebook (Moodle)
-  You will have a contact teacher at your school who will provide supervision and ensure you have the space, resources, and assessment materials for your course.
-  NSVS helps foster independence in learning and increases technical skills

NOVA SCOTIA
Virtual School
École virtuelle de la Nouvelle-Écosse

Enrol NOW!

2025 - 2026

Courses

Your NSVS course is part of your regularly scheduled classes and you will spend approximately 60-90 minutes online daily in your NSVS course during the block you have scheduled.

eChats

You will attend weekly echats (video conferencing) with your teacher and fellow classmates. Your online teacher is available throughout the school day by e-mail, IM, e-chat and during virtual office hours.

Grades

Grades are reported in Powerschool at midterm and end of semester. You can check your progress in your Moodle gradebook at any time.
